

NW Solar Expo Consumer Classes Saturday, May 2

Room Number	MAIN STAGE	SOLAR STAGE	OREGON THEATER	ROOM E141	ROOM E142	ROOM E143
10:00am - 6:00pm	Expo Opens to Public - 10am			Manufacturer Training Sessions		
10:30am - 11:00am		Residential Solar Electric Systems	Solar Hot Water Systems		Solar Installation Using Pre-engineered, Packaged Solar Electric Systems	
11:00am - 11:30am	Basics of Going Solar	Solar Electric (PV) Technology Comparisons	Solar Hot Water Technology Comparison	Solar Commercial Hot Water Design	10:30am - 12:30pm	New Products to Enhance your Solar Business
11:30am - 12:00pm		Complete Energy Efficiency for Homes	Off-Grid Living			
12:00pm - 12:30pm	Passive Solar Home Design Ideas					
12:30pm - 1:00pm	Choosing a Contractor	Building a High Performance Home				
1:00pm - 1:30pm	Solar For Your Business	Intro to Residential Wind Energy	Solar Hot Water Systems		An Introduction to Conergy Code-Compliant Pitched Roof Mounting Systems and New Open Field PV Mounting Solutions	Charting Your Career Paths in the Clean Energy Industry
1:30pm - 2:00pm		Financing Your Solar Project	Solar Hot Water Technology Comparison			
2:00pm - 2:30pm	Residential Solar Electric Systems	Navigating Incentives and Tax Credits	Going Solar with PGE	SolReliant Training – Solar Hot Water Heater installations		The 25-year Warranty
2:30pm - 3:00pm	Solar Electric (PV) Technology Comparisons		Intro to Solar Pool Heating			
3:00pm - 3:30pm			Complete Energy Efficiency for Homes			
3:30pm - 4:00pm	Battery Based Solar Electric Systems	Basics of Going Solar				
4:00pm - 4:30pm			Solar Hot Water Systems			
4:30pm - 5:00pm	Solar Revolution		Solar Hot Water Technology Comparison			
5:00pm - 6:00pm						
6:00pm	Solar Expo Closes at 6pm
